

JUNE 2021

ALL YOU NEED TO KNOW AT

New Life

Welcome

Church leader Simon Turner & his wife Fiona.

Welcome to New Life Church Biggin Hill. Whether you live locally or are just popping in for a visit we hope that you enjoy your time with us. We are a local church passionate about our community with a desire to see the gospel of Jesus proclaimed locally, nationally and internationally. You can find out more about us on our website www.newlifebh.org.uk or simply fill out our visitors card and we'll be in touch.

June 2021! The end is in sight... At least that's what we are all hoping and praying... With the vaccination available for those who want it, lateral flow tests freely available and a significant reduction in infections, hospitalisation and deaths it really does feel like we are on the right track. As well as potential significant changes from the 21st June 2021.

Our 'pencil plan' (pencil as it could change) is to relaunch in person meetings at the start of July in the hope that there will be no need for social distancing, masks and restrictions on us singing and fellowshiping!

In the meantime, we have some exciting plans...

THIS MONTH

Gather to pray

We are continuing to host Gather To Pray meetings every Wednesday both in person and online. Alternating each week between 10:30am & 8pm. If you would like to join us please book through church suite or chat to Megan.

Reconnect groups

We are so excited to be launching our Reconnect Groups which will take place on ad-hoc days/times at the church building. The purpose of these groups is to get people back together again and enjoying one another's company. Weather permitting we will be holding these times in the back car park with space to sit and chat, play games and enjoy the sunshine. All are welcome but you will need to book. Please contact Megan if you would like any more information email: megan.park@newlifebh.org.uk

Regions Beyond 'Global Prayer Meeting'

After the resounding success of the first Regions Beyond Global Prayer another is planned and indeed we plan to hold these every other month... The next one is on Saturday 17th July 2021 @ 10am on Zoom. Details will follow.

GIVING

Here at New Life, we believe that giving financially is just one of the ways we worship God. We believe that it is God who gives all we have, including our finances. Therefore, we look to honour Him with them. If you would like to give you can do this through church suite via our websites 'giving' page, by placing cash in the weekly offering or via bank transfer.
