Welcome

Church leader Simon Turner & his wife Fiona.

Welcome to New Life Church Biggin Hill. Whether you live locally or are just popping in for a visit we hope that you enjoy your time with us. We are a local church passionate about our community with a desire to see the gospel of Jesus proclaimed locally, nationally and internationally. You can find out more about us on our website www.newlifebh.org.uk or simply fill out our visitors card and we'll be in touch.

From the early years of our lives August is instilled in us as 'The Summer Holidays'. School children and school staff all over the country look forward to this time as do some parents and guardians... A time to rest, to recharge, to reconnect and to get ready for the new term. These past 16 months have taken their toll on many of us yet I am so thankful to our ever-faithful God who has remained a constant source of strength, encouragement and a firm foundation. As I take some time off during August I do so with a sense of eager anticipation and expectation for what the new term will bring. Trusting that He is building His church and that His Kingdom is continuing to advance... See you in September!

THIS MONTH

Biggin Hill Carnival - 4.9.21

Things are starting to come together for the Carnival but we are still woefully understaffed for all that we want to do to serve our community.

Obviously we are not expecting people to be available all day long but 'many hands make light work'. If you could give, even just 1 hour it would be a massive help to us and a huge blessing to our community.

New Life Kids - Reconnect

Every Thursday of August we would love for New Life Kids and their families to join us for bring-your-own-picnic and games. Why not invite your friends too!!

We will meet at 'The Rec' (if the weather is bad we will be at New Life)

This is a great opportunity for Kids to reconnect, spend some time together in person and have some summer fun. We would love to see you there!

Please contact Megan if you would like any more information

email: megan.park@newlifebh.org.uk

Magnify - Renewing your mind

Starting September 4th - then on the first Saturday of every month Gareth is starting a new magnify group to help you re-shape your thinking and help you cope with depression, anxiety and unwanted thoughts.

Please speak to Gareth if you would like more information or to book in.

GIVING

Here at New Life, we believe that giving financially is just one of the ways we worship God. We believe that it is God who gives all we have, including our finances. Therefore, we look to honour Him with them.

If you would like to give you can do this through church suite via our websites 'giving' page, by placing cash in the weekly offering or via bank transfer.
